Summary: On September 28, 2000, Bill Stock, Manager, Regulatory Relations, Pacific Gas and Electric Company (PG&E), met with Linda Serizawa, advisor to Cmmr. Wood, in San Francisco. Stock explained that PG&E filed this proceeding to provide for additional financing authority by the beginning of November, 2000 and PG&E's cash flow needs associated with the unexpected and high cost of procuring electricity indicate an associated need to increase PG&E's borrowing authority. Stock urged the Commission to act on the application during its October 19, 2000 decision conference. Stock also pointed out that the application had been made on an ex parte basis in order to help meet that deadline.
